Chapter 1 by Story Wars

"I'm gonna get you!" Aubrey heard as she was running through the tall dark trees surrounding the woods. As she heard crackling sticks sounds echoing almost her every step. Further and further she got into the woods as Aubrey ran, her dirty blonde hair flying behind her like a cape and shining every once and a while. In the narrow beams of sunlight set between every other two trees. She stopped for a moment to hear how far the others were behind, it was quiet, too quiet. Then all of a sudden Aubrey got pounced on by something out of the trees behind her. "Guys, I got her!" Out from behind two trees two girls came out laughing and the thing that jumped on Aubrey was her ex Ryan, getting up and dusting his hands and pants helping her up afterwards.

"I didn't know you could climb trees Ryan, I honestly thought it would be Madison or Hailey who would, ya know, since they're smaller." Aubrey said to Ryan with a crooked smile covering her face. Of course Ryan not liking Aubrey much cause she would always make jokes about how tall or round he was he didn't think it was funny. As Madison and Hailey were getting closer to Ryan and Aubrey they saw in the further distance a cabin. Hailey pointed it out to Ryan and Aubrey once her and Madison got close enough, everyone agreed to go look at it so the group slowly walked towards the cabin hatching for someone or something to walk out or around the cabin.

happened to her he would get in trouble for it, even though it was her idea to go in so he went in as well.

Once the four children went into the cabin they were amazed. There were cages of all sorts of birds and jars of bugs, some they couldn't even name, same with the birds. With such a small and quiet cabin on the outside. Once they all walked in it was so loud from the animals seeing new people, Ryan predicted as loud as he could be so everyone could hear him that it could maybe be heard from miles.

"It'll only make it louder if you yell and maybe someone will hear us!" Screamed Madison trying to overthrow Ryan's voice level and the animals calls. All of a sudden, all was silent, not even the outside had sound. A moment later there were footsteps walking on the porch of the cabin, then as Aubrey, Madison, Ryan, and Hailey turned their attention slowly towards the door a man walked in, his face all dirty with his left eye covered by an eye patch, wearing all black, even the gloves he was wearing were black.

"I knew it!" The man shouted. They were all frightened for what the man might do so they all jumped out the window behind them for finding them inside so they all ran for it, and ran to Ryan and Hailey's house. Once they all got back and caught their breath they all agreed to never go into anything that wasn't theirs.
